

Fees and payment information:

Fees are payable monthly in advance. Parents/carers paying their fees by cheque are required to write the invoice number on the back of their cheque.

Deposit

Once you have been offered a place you will be required to pay one month's deposit. This deposit is held on your account and will be either refunded to you when you decide to leave (if 4 week notice is given) or you could use this deposit as your last month's fees.
